

You're Invited!

Hello ladies!! Please join me for an Evlove Lingerie Party!! A party like no other, Evlove lets us design our own lingerie. They have put together a fabulous palette of fabric, trims and appliqués to inspire us, so get ready to have some fun creating looks that are one of a kind like us!

Here's how it will work:

- 1.) First you pick your style (there's 10 to choose from including boyshorts, panties, thongs, camis, bralets, lounge pants and chemises)
- 2.) Then you pick your fabric (3 different types and many gorgeous colors)
- 3.) You'll pick your trims (things like elastics for straps and little bows and flowers)
- 4.) Lastly, you'll place your order!

Give us 3 weeks and your personally designed lingerie will be sewn and sent out for delivery right to your door.

Prices range from \$60 - \$67 for tops, \$35 - \$52 for bottoms, \$85 for the lounge pants and \$95 for the chemise - all based on the style you choose. A lingerie stylist will be there to help guide us, so we can be sure that we are happy with our creations. You can check out the website for info on styles, fabrics, and trims www.evloveintimates.com

Looking forward to seeing all my girls!
