

intimately YOURS

It only takes 15 minutes in a Victoria's Secret to realize lingerie is a to-each-her-own type thing. So stage a custom lingerie party, either as a thank-you for your bridesmaids or as a part of the bachelorette festivities. Using Evlove Intimates's dummy-proof online design studio and a stylist's guidance via phone, each girl customizes her own pieces (boy shorts, bras, camis, chemises, thongs) with fabrics (lace, nylon mesh, modal), trimmings, and embellishments. Evlove will also send a stylist to your party loaded with fabric samples and trim swatches for \$10 to \$30 per each additional person.

buzz-free BUBBLY

There's no need to leave out the non-drinkers at toasting time thanks to a new non-alcoholic sparkling wine made from the juice of premium wine grapes. Available in Chardonnay, Pinot Noir, and Rosé, these soft drinks are unlike sparkling grape juice or sodas in that they have no added coloring, sugar, or preservatives and actually taste like sparkling wine. Just without the alcohol.

Where to find: Vignette Wine Country Soda, winecountrysoda.com, 510-486-9400, \$28.50 for a 12-pack of 12-ounce bottles
